WATERPROOFING & RESTORATION

THE HIGHEST QUALITY
IN FAÇADE REPAIR
AND PROTECTION

WATERPROOFING

WHEN it comes to taking care of your valuable property, you need a company with the expertise to tackle whatever job your building needs. That's Everest Waterproofing & Restoration. Building owners, property managers, architects, engineers and consultants throughout the Bay Area know Everest as a reliable source of exterior maintenance services.

EVEREST was founded by two veterans of the waterproofing and restoration industry.

Keith Goldstein, President, has been a licensed contractor in the Bay Area for 27 years. He is the Past President of the Sealant Waterproofing & Restoration Institute and is currently Chair of the SWRI Above Grade Waterproofing Committee. He serves on the Board of Directors of the Northern California International Concrete Repair Institute and is a member of CSI, PDCA and APT.

Vice President Mark Murray's 30 years of experience in façade repair and waterproofing have saved numerous Bay Area buildings. He is a specialist in troubleshooting building leaks, holds a Master's Diploma in concrete repair from the ACI and serves on the SWRI Editorial Committee.

Both Mark and Keith have completed numerous training courses and specialized programs to stay on the leading edge of waterproofing and restoration skills.

Terry Betterley, Schools of the Sacred Heart

"We found the quality of their work to be very high and the finished product looks great. Their mechanics displayed a good understanding of the materials specified and their correct application. They were also very responsive to all of the client's concerns. Their crews were conscientious and diligent. I very much look forward to working with Everest again soon."

Austin Sloat, AIA Ferrari-Moe

"Everest provides great customer service. They are responsive to our client's concerns, polite and professional. It is a pleasure to work with Everest."

Carol Gilano, CPM
